

40th Top Half Folk Festival

2010

June 11th – 14th Mary River Park

It's time for a celebration!

This year's Top Half Folk Festival will be held at the beautiful Mary River Park on the Arnhem Highway and will focus on 40 years of great music in the Top End of Australia.

Over the past 40 years we all have many memories of the Top Half Folk Festivals (and if you haven't you better get to this one). This year we are encouraging all who have been a part of the festivals to reform your bands and come back to show us some of the old and some of the new.

The THFF is a low budget festival and we cannot support many artists, but we do have a small amount of funding to assist needy artists to attend this year with a focus on getting as many past artists as possible to return. We invite you to fill out the 'Expression of interest' form, that will give us an indication of who can attend this year's celebrations, what you would like to offer the festival and what funding assistance you will require. Please get your expression of interest back to us by 30th February to be considered for funding assistance.

For those who have never been to Mary River Park, It is situated on the Arnhem Highway approximately 1 hour from Darwin. Our host at Mary River Park is Lynn Frost and the park has 26 cabins, a limited number of powered sites and unlimited unpowered sites on beautiful grassed areas. Meals will be available at the venue throughout the weekend or if you are camping you can cook your own. If you want to book a cabin or a powered site we recommend you book early as cabins are already being booked for the festival. Contact: www.maryriverpark.com.au Ph 89788877 Fax 89788899. Mention you are coming for the festival when booking.

Keep an eye on the website for festival updates: <http://www.topendfolkclub.org/index.htm>

Don't miss the opportunity to catch up with old friends, enjoy reminiscing with friends and encourage more people to attend the fabulous Top Half Folk Festival.
