Top Half Folk Festival

VENUE

As with our previous Festivals in the Top End, the venue is the lovely Mary River 110km east of Darwin on the Arnhem Highway. The venue is under new management with a name change to 'Breeze Holiday Parks - Mary River'.

Further details about the venue can be found at breezeholidayparks.com.au

Arrangements for bookings are similar to other years, where the Top End Folk Club has booked the venue for the weekend, so to make reservations, please call the venue on 08 89788877 or email manager.maryriver@breezeholidayparks.com.au and make sure you let them know that you are attending the THFF.

RESERVATIONS & ACCOMMODATION

Do not use on line booking - Bookings must be made by: E: manager.maryriver@breezeholidayparks.com.au or P: 08 8978 8877

There is no booking number - just state that you are attending the Top Half Folk Festival.

The range of accommodation includes:

- Bungalows
- Pool side rooms & Family rooms
- Powered campsites
- Unpowered campsites

Please book your accommodation in advance - including camping sites. There will be a capacity on the venue due to ablution limitations.

ACCOMMODATION OPTIONS

Please note: As the festival was confirmed later than usual, there were already bookings that had been taken at the venue. These bookings were for the Friday night of the Festival and include a number of the Bush Bungalows.

Alternative accommodation has been negotiated with the Bark Hut Inn (2kms away) for the Friday night only, to ensure that everyone has a room on Friday. If you have reserved a Bush Bungalow for Saturday and Sunday night and want to reserve a Friday night room at the Bark Hut, please contact John MacCartie via john.maccartie@gmail.com

We will be running a Friday night bus to take people back to the Bark Hut until late and to return on Saturday morning.

We apologise for this inconvenience and will do everything we can to ensure your festival is enjoyable.
